Bio summary

Hans Jørgen Gåsemyr (PhD) is a postdoctoral fellow at the Department of Comparative Politics, University of Bergen, and a senior researcher at the Norwegian Institute of International Affairs (NUPI). In fall 2018/early 2019, Gåsemyr also takes up an interim lecturer position at the Department of Culture Studies and Oriental Languages, University of Oslo. His background includes extensive social science and Chinese language and area studies from Norwegian and Chinese universities. His PhD and MA degrees are in the field of political science and comparative politics. Gåsemyr has previously worked for the United Nations in Beijing, and he holds a journalism degree and has working experience in national media and broadcasting. His research is specialized on Chinese politics, including state-society relations, social and economic reforms and Chinese actors and interests in international affairs.
